

TopDollarMobile Packaging Instructions

Instructions

- Insert battery into phone and make sure the phone is charged. Then switch off.
- Wrap and surround each phone with sufficient cushioning to protect each item from being damaged.
- Pack the phone into a box or other strong rigid packaging, and secure items against movement and accidental activation.
- Only two phones maximum per parcel.
- Insert box into provided TopDollarMobile postal bag and seal securely.
- Make sure to write your name and return address clearly on the postal bag.

Recommendations

- Any small box or cardboard Packaging can be used.
- Original manufacturer box is ideal for packaging phone in.
- Please ensure that the box or packaging fits into the postal bag provided.
- If you have two phones, both can be packed into the same box provided each phone is wrapped in tissue or soft wrap.
- Only handset and battery is required. No need to send charger or other accessories.
- Remove and Keep any SIM or memory card, and set each phone back to manufacturer's default setting to remove data.
